Here's why teachers
rely on THE MAILBOX®:

"THE MAILBOX magazine helps me meet the biggest challenge in the classroom...teaching to the standards. What a great resource...I don't have to go tracking down other resources because it's all right there in the magazine."

—Jen Coleman, Cave Creek, AZ

"Thank you for making my life easier! With so little time and so much to do, I find myself scrambling at times for the best ideas. The reproducibles you provide give me the edge – they are skill-based activities that my students love!"

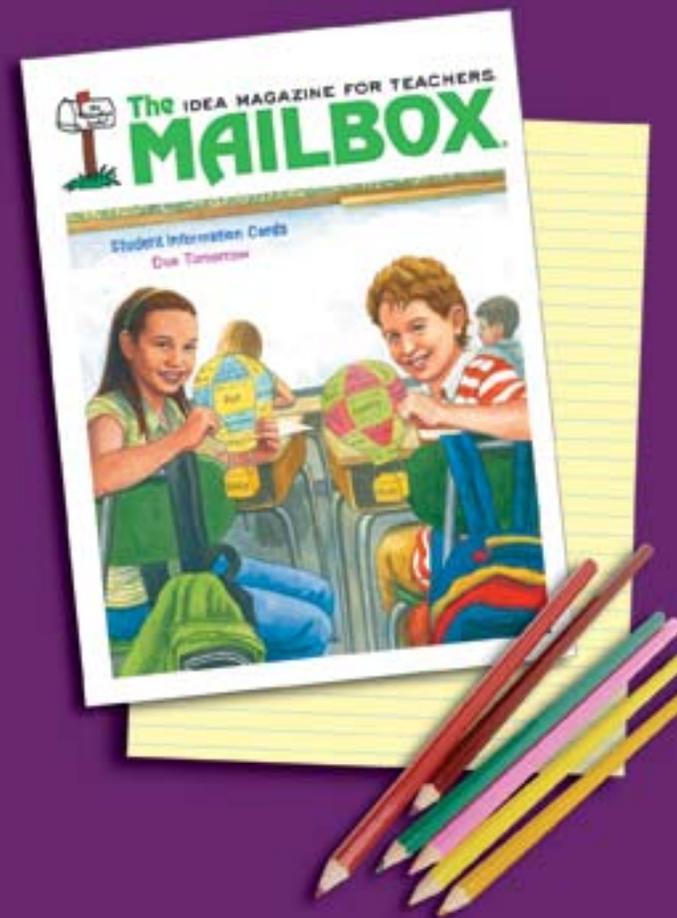

—Megan Samson, Omaha, NE

"I subscribe to THE MAILBOX because it is cost effective and provides me with excellent ways to supplement my school's curriculum. THE MAILBOX makes my job easier."

—Carol Sorensen, Kansas City, MO

**Think of it as a
'Survival Kit'
for the
classroom.**

Every issue of THE MAILBOX® magazine gives you new tools to make sure your students succeed.

You're in the middle of an important lesson and, for some reason, it's just *not* working.

That's when it's time to reach for THE MAILBOX magazine.

Just look in the index, find the skill you are trying to teach, and put it to use right away. It's the proven way to engage your students and make sure they really 'get it.'

We took the best and made it even better.

THE MAILBOX magazine has been the 'Survival Kit' for teachers for over 25 years. Now with mandated curriculum and year-end tests, it's more important than ever.

That's because THE MAILBOX magazine has been written *by* teachers *for* teachers to match your curriculum. There's new, updated graphics that really appeal to today's students and easy-to-use activities that will work when needed.

THE MAILBOX focuses on core skills your students must learn.

THE MAILBOX magazine focuses on the core skills your students need to pass their year-end tests. And it makes teaching them fun and easy. Skill lines help you identify which ideas and

activities fit into your lesson plan; illustrations show you how they will work in your classroom.

And every issue of THE MAILBOX is packed with ready-to-go reproducibles, tested ideas and forms that

help you pull things together easily.

THE MAILBOX gives you grade-specific ideas and activities that tie in with your curriculum.

• **The Grades 2-3 Edition**

The Grades 2-3 edition provides a wide selection of proven ideas and activities for developing your students' critical learning skills.

Creative writing and reading activities will help improve their literacy skills. Motivating, skill-based activities will engage them in all curriculum areas.

You'll also find practical and proven classroom management tips to keep your class focused on learning.

• **The Grades 4-5 Intermediate Edition**

Classroom work becomes more difficult as students enter Grades 4-5. So the Intermediate edition of THE MAILBOX magazine

presents ideas that engage students without overwhelming them.

Each issue offers fresh ideas on how to creatively teach the core curriculum to your students. And every activity is standards based.

THE MAILBOX is your 'Survival Tool' in the classroom.

If a lesson falls flat or the class is fidgeting, you can simply reach for THE MAILBOX and quickly find an activity that works.

THE MAILBOX keeps your students interested in learning with fresh and creative ways to teach and present a lesson. And there's minimal prep work required – you can put the ideas to use right away.

Enjoy FREE access to BONUS materials online.

As a paid subscriber, you'll also enjoy 24-hour access to our exclusive Web site – THE MAILBOX Companion®. It's full of BONUS ideas, forms, clip art, awards, and skill-building reproducibles to enhance the activities found in each issue of the magazine.
